

Welcome to the IAP2 Queensland informal event program!

International Association  
for Public Participation  
Australasia

## Topic for discussion: How do we connect with the 'silent majority'?

The International Association for Public Participation (IAP2) Australasia invites you to join them for an 'informal' networking and story sharing session.

By 'informal', we mean that there is no charge to attend and participants are to purchase their own refreshments. Sessions will be conducted simultaneously across the state in various locations where volunteers have generously offered their time to assist.

The sessions will be facilitated by the event coordinators and notes will be taken on the discussions to load onto the IAP2 website.

These sessions will be a wonderful opportunity to share stories, tips and tricks with like-minded people!
