

Hosting Opportunity for Affiliates and Chapters

Pricing and delivery has been designed to support IAP2 International for the following:

- Support all parts of the IAP2 organization financially
- Support all parts of the organization to deliver embers programs and services
- Meet our royalty obligations and our obligations to the trainer
- Return on investment for the development of the program

IAP2 has invested in the development of this new program and this model returns the development costs to IAP2 International, the shares benefits at the local level. Trainers receive a flat fee of \$1500USD per day to deliver this course (no per diem is included). A Chapter or Affiliate may negotiate this fee with the trainer.

Therefore the following conditions would apply:

1. Setting of the student registration fees is to be mutually agreed between the host and IAP2 International.
2. The minimum registration fee is \$700USD per enrolment of IAP2 members.
3. Ten is the minimum enrolment per course.
4. Only a trainer licensed by IAP2 International to deliver the Emotion, Outrage and Public Participation course can be contracted to deliver the training.
